Document Version : 01 Release Date : 2023-06-27

1.Download and Install App

Requirements:

- Phone system requirements: Android 8.0, iOS 11.0 and above.
- To ensure the stability of the functions it is recommended to use the version of Android 8.0, iOS 13.0 and above.
- The phone supports Internet connection.
- Phone supports WLAN function.
- The router supports WLAN (IEEE 802.11 b/g/n, 2.4GHz) with WLAN signal coverage to the product location.
- Router recommends to use WPA, WPA2 or WPA/WPA2 encryption method; enterprise version encryption method is not supported (such as airport WLAN and other public hot-spots that need authentication); the 2 encryption methods WEP and WPA TKIP are not recommended, because WEP and WPA TKIP encryption methods have serious security flaws. If WEP cannot be accessed, please login to the router and change the router encryption method to WPA2 or WPA/WPA2.

Operation steps:

- Android phone users: Search for "Smart Energy PLAT" in the Google Play store.
- iPhone users: Search for "Smart Energy PLAT" in the App Store.

Smart Energy PLAT

2.Register for an account

Applicable objects:

- All users who purchased Smart Energy PLAT equipment.

Operation steps:

- Run "Smart Energy PLAT";
- Check the agreement and confirm the use of APP;
- Go to the login page and click on “Register Account”;
- Select your time zone, enter your user name, email address, verification code and password to register your account;
- Login with the newly registered account.

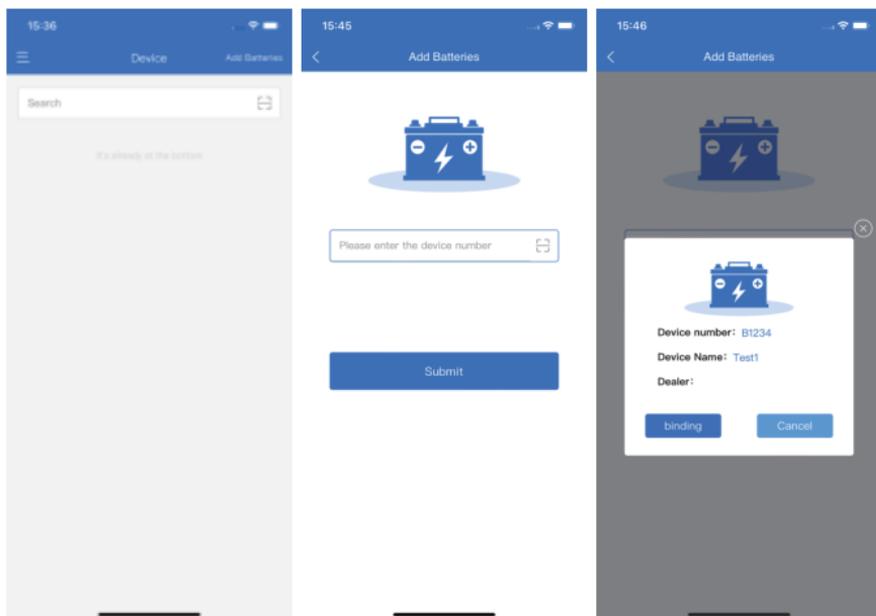

The image displays three sequential screenshots of the Smart Energy mobile application interface, illustrating the registration process. Each screenshot is set against a dark blue header with the time 15:23 and standard mobile status icons.

- First Screenshot:** Shows the app's home screen. At the top left is the time 15:23. Below the status bar is a large blue icon of a battery with a lightning bolt and signal waves, labeled "Smart Energy". At the bottom, there is a checkbox with the text "By clicking 'Agree' you are agreeing to accept our 'Terms of Service and Privacy Policy'" and a blue button labeled "Agree".
- Second Screenshot:** Shows the login screen. The title is "The login". It features three input fields: "Email login", "Password", and "Forgot password?". Below these fields is a blue button labeled "Sign in" and a link labeled "Create a new account". At the bottom, there is a section for "Connect with Manage logon".
- Third Screenshot:** Shows the registration screen. The title is "Link Your Account". It features a dropdown menu for "UTC/GMT", followed by input fields for "Name", "Email", "Verification code", and "Password". A blue button labeled "Send verification code" is positioned to the right of the "Verification code" field. Below the "Password" field is a checkbox with the text "By clicking 'Register' you are agreeing to accept our 'Terms of Service and Privacy Policy'" and a blue button labeled "Register".
